PROXY STATEMENT
FOR THE 2023 ANNUAL MEETING OF STOCKHOLDERS**

GENERAL INFORMATION

This proxy statement (this “Proxy Statement”) contains information related to the Annual Meeting of Stockholders (the “Annual Meeting”) to be held on August 15, 2023, at 12:00 p.m., Eastern Time. We are planning to hold the Annual Meeting virtually via the Internet, or at such other time and place to which the Annual Meeting may be adjourned or postponed. In order to attend our Annual Meeting, you must log in to www.virtualshareholdermeeting.com/LPTV2023 using the 16-digit control number on the Notice, proxy card or voting instruction form that accompanied the proxy materials.

Proxies for the Annual Meeting are being solicited by the Board of Directors (the “Board”) of Loop Media, Inc. (collectively, “we,” “us,” “our” or the “Company”). This Proxy Statement is first being made available to stockholders on or about July 10, 2023.

Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting To Be Held on August 15, 2023.

Our proxy materials including our Notice of Internet Availability of Proxy Materials, Proxy Statement for the Annual Meeting, our annual report for the fiscal year ended September 30, 2022, and proxy card are available on the Internet at www.proxyvote.com. Under Securities and Exchange Commission (the “SEC”) rules, we are providing access to our proxy materials by notifying you of the availability of our proxy materials on the Internet.

About the Meeting

We are calling the Annual Meeting to seek the approval of our stockholders:

- To elect five director nominees to serve as directors until the next annual meeting of stockholders;
- To ratify the appointment of Marcum LLP as the Company’s independent registered public accounting firm for the fiscal year ending September 30, 2023;
- To approve an amendment to the Company’s Articles of Incorporation, as amended (the “Articles of Incorporation”), to increase the number of shares of common stock authorized for issuance thereunder from 105,555,556 shares to 150,000,000 shares (“Proposal 3”);
- To approve the adjournment of the Annual Meeting in the event that the number of shares of common stock present or represented by proxy at the Annual Meeting and voting “FOR” the adoption of Proposal 3 are insufficient;
- To approve, on an advisory basis, the executive compensation of the Company’s named executive officers as described in this Proxy Statement;
- To vote, on an advisory basis, on how often the Company will conduct an advisory vote on executive compensation (every year, every two years or every three years); and
- To consider any other matters that may properly come before the Annual Meeting, including any adjournment or postponement thereof.

What are the Board’s recommendations?

Our Board believes that the election of the director nominees identified herein, the ratification of the appointment of Marcum LLP as our independent registered public accounting firm for the fiscal year ending September 30, 2023, the amendment to our Articles of Incorporation to increase the number of shares of common stock authorized for issuance thereunder and the adjournment of the Annual Meeting in the event of insufficient proxies at the Annual Meeting to approve Proposal 3 are each advisable and in the best interests of the Company and its stockholders and recommends that you vote **FOR** each of the proposals. Our Board believes that the compensation of our named executive officers for the fiscal year ended

September 30, 2022, as described in this Proxy Statement, was appropriate and recommends that you vote **FOR** the resolution to approve that compensation. Our Board believes that an annual vote, on an advisory basis, on conducting an advisory vote on named executive officer compensation is advisable and in the best interests of the Company and its stockholders and recommends that you vote for **ONE YEAR** for this proposal. If you are a stockholder of record and you return a properly executed proxy card or vote by proxy over the Internet but do not mark the boxes showing how you wish to vote, your shares will be voted in accordance with the recommendations of the Board, as set forth above. With respect to any other matter that properly comes before our Annual Meeting, the proxy holders will vote as recommended by the Board or, if no recommendation is given, at their own discretion.

Who is entitled to vote at the Annual Meeting?

Only stockholders of record at the close of business on the record date, June 26, 2023 (the “Record Date”), are entitled to receive notice of the Annual Meeting and to vote our common stock that they held on that date at the meeting, or any postponement or adjournment of the meeting. Each share of common stock is entitled to one vote on each proposal. As of the Record Date, we had _____ shares of common stock outstanding.

Who can attend the meeting?

All stockholders as of the Record Date, or their duly appointed proxies, may attend the Annual Meeting. Attendance at the Annual Meeting shall solely be via the Internet at www.virtualshareholdermeeting.com/LPTV2023 using the 16-digit control number on the Notice, proxy card or voting instruction form that accompanied the proxy materials. Stockholders will not be able to attend the Annual Meeting at a physical location.

The live webcast of the Annual Meeting will begin promptly at 12:00 p.m., Eastern Time on August 15, 2023. Online access to the webcast will open approximately 15 minutes prior to the start of the Annual Meeting to allow time for our stockholders to log in and test their devices’ audio system. We encourage our stockholders to access the Annual Meeting in advance of the designated start time.

An online portal will be available to our stockholders at www.proxyvote.com commencing approximately on or about July _____, 2023. By accessing this portal, stockholders will be able to vote in advance of the Annual Meeting. Stockholders may also vote, and submit questions, during the Annual Meeting at www.virtualshareholdermeeting.com/LPTV2023. To demonstrate proof of stock ownership, you will need to enter the 16-digit control number received with your Notice, proxy card or voting instruction form to submit questions and vote at our Annual Meeting. If you hold your shares in “street name” (that is, through a broker or other nominee), you will need authorization from your broker or nominee in order to vote. We intend to answer questions submitted during the Annual Meeting that are pertinent to the Company and the items being brought for stockholder vote at the Annual Meeting, as time permits, and in accordance with the Rules of Conduct for the Annual Meeting. To promote fairness, efficiently use the Company’s resources, and ensure all stockholder questions are able to be addressed, we will respond to no more than three questions from a single stockholder. We have retained Broadridge Financial Solutions to host our virtual Annual Meeting and to distribute proxies and receive, count and tabulate votes.

What constitutes a quorum?

The presence at the Annual Meeting, in person or by proxy, of at least a majority of the voting power of all issued and outstanding shares of our common stock entitled to vote at the Annual Meeting will constitute a quorum for the Annual Meeting.

Abstentions will be counted for the purpose of determining whether a quorum is present. If brokers have, and exercise, discretionary authority on at least one item on the agenda for the Annual Meeting, uninstructed shares for which broker non-votes occur will constitute voting power present for the discretionary matter and will therefore count towards the quorum.

How do I vote?

Your vote is important. Instead of mailing a printed copy of our proxy materials to all of our stockholders, we provide access to these materials via the Internet. This reduces the amount of paper necessary to produce

these materials as well as the costs associated with mailing these materials to all stockholders. Accordingly, on or about July 14, 2023, we will begin mailing a Notice of Internet Availability of Proxy Materials (the “Notice”) to all stockholders of record on our books at the close of business on the record date and will post our proxy materials at www.proxyvote.com. Stockholders may choose to access our proxy materials at www.proxyvote.com or may request to receive a printed set of our proxy materials. In addition, the Notice and that website provide information regarding how you may request to receive proxy materials in printed form by mail, or electronically by email, on an ongoing basis.

You may vote on the Internet, by telephone, by mail or by attending the Annual Meeting and voting electronically, all as described below. The Internet and telephone voting procedures are designed to authenticate stockholders by use of a control number and to allow you to confirm that your instructions have been properly recorded. If you vote by telephone or on the Internet, you do not need to return your proxy card or voting instruction card.

Vote on the Internet

If you are a stockholder of record, you may submit your proxy by going to www.proxyvote.com and following the instructions provided in the Notice. If you requested printed proxy materials, you may follow the instructions provided with your proxy materials and on your proxy card. If your shares are held with a broker, you will need to go to the website provided on your Notice or voting instruction card. Have your Notice, proxy card or voting instruction card in hand when you access the voting website. On the Internet voting site, you can confirm that your instructions have been properly recorded. If you vote on the Internet, you can also request electronic delivery of future proxy materials. **Internet voting facilities are available now and will be available 24 hours a day until 11:59 p.m., Eastern Time, on August 14, 2023.**

Vote by Telephone

If you are a stockholder of record, you can also vote by telephone by dialing 1-800-690-6903. If your shares are held with a broker, you can vote by telephone by dialing the number specified on your voting instruction card. Have your proxy card or voting instruction card in hand when you call. **Telephone voting facilities are available now and will be available 24 hours a day until 11:59 p.m., Eastern Time, on August 14, 2023.**

Vote by Mail

You may choose to vote by mail, by marking your proxy card or voting instruction card, dating and signing it, and returning it in the postage-paid envelope provided. If the envelope is missing and you are a stockholder of record, please mail your completed proxy card to Vote Processing, c/o Broadridge, 51 Mercedes Way, Edgewood, NY 11717. If the envelope is missing and your shares are held with a broker, please mail your completed voting instruction card to the address specified therein. Please allow sufficient time for mailing if you decide to vote by mail as it must be received by **11:59 p.m., Eastern Time, on August 14, 2023.**

Please note that if you received a Notice of Internet Availability, you cannot vote by marking the Notice and returning it. The Notice provides instructions on how to vote on the Internet and how to request paper copies of the proxy materials.

Voting at the Annual Meeting

You will have the right to vote on the day of, or during, the Annual Meeting on www.virtualshareholdermeeting.com/LPTV2023. To demonstrate proof of stock ownership, you will need to enter the 16-digit control number received with your Notice, proxy card or voting instruction form to vote at our Annual Meeting.

Even if you plan to attend our Annual Meeting, we recommend that you also submit your proxy as described above so that your vote will be counted if you later decide not to attend our Annual Meeting.

The shares voted electronically, telephonically or represented by the proxy cards received, properly marked, dated, signed and not revoked, will be voted at the Annual Meeting.

What if I vote and then change my mind?

You may revoke your proxy at any time before it is exercised by:

- filing with the Secretary of the Company a notice of revocation;
- submitting a later-dated vote by telephone or on the Internet;
- sending in another duly executed proxy bearing a later date; or
- attending the Annual Meeting remotely and casting your vote in the manner set forth above.

Your latest vote will be the vote that is counted.

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

Many of our stockholders hold their shares through a stockbroker, bank or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Stockholder of Record

If your shares are registered directly in your name with our transfer agent, ClearTrust LLC, you are considered, with respect to those shares, the stockholder of record. As the stockholder of record, you have the right to directly grant your voting proxy or to vote at the Annual Meeting.

Beneficial Owner

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name, and these proxy materials are being forwarded to you by your broker, bank or nominee which is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker as to how to vote and are also invited to attend the Annual Meeting. However, because you are not the stockholder of record, you may not vote these shares unless you obtain a signed proxy from the record holder giving you the right to vote the shares. If you do not provide the stockholder of record with voting instructions or otherwise obtain a signed proxy from the record holder giving you the right to vote the shares, broker non-votes may occur for the shares that you beneficially own. The effect of broker non-votes is more specifically described in “*What vote is required to approve each proposal?*” below.

What vote is required to approve each proposal?

Assuming that a quorum is present, the following votes will be required:

- With respect to the first proposal (election of directors, “Proposal 1”), directors are elected by a plurality of the votes cast on Proposal 1. The director nominees who receive the greatest number of votes at the Annual Meeting (up to the total number of directors to be elected) will be elected. As a result, withheld votes and broker non-votes (see below), if any, will not affect the outcome of this proposal.
- The second proposal, to ratify the appointment of Marcum LLP as our independent registered public accounting firm for the fiscal year ending September 30, 2023 (“Proposal 2”), requires the affirmative vote of a majority of the total votes cast on this proposal by holders of our common stock, in person or by proxy. As a result, abstentions, if any, will not affect the outcome of the vote on this proposal. Because this proposal is “routine” (see below), no broker non-votes will occur on this proposal.
- The third proposal (“Proposal 3”), to approve an amendment to our Articles of Incorporation to increase the number of shares of common stock authorized for issuance thereunder from 105,555,556 to 150,000,000, requires the affirmative vote of holders of a majority of the voting power of the issued and outstanding shares of common stock that are entitled to vote on the proposal. As a result, abstentions and broker non-votes (see below), if any, will have the effect of a vote “AGAINST”

Proposal 3. Accordingly, it is particularly important that beneficial owners instruct their brokers how they wish to vote their shares. If this proposal is deemed to be “routine,” no broker non-votes will occur on this proposal.

- The fourth proposal (“Proposal 4”), to approve the adjournment of the Annual Meeting to the extent there are insufficient proxies at the Annual Meeting to approve Proposal 3, requires the affirmative vote of a majority of the total votes cast on this proposal. As a result, abstentions and broker non-votes, if any, will not affect the outcome of this proposal. If this proposal is deemed to be “routine,” no broker non-votes will occur on this proposal.
- The fifth proposal (“Proposal 5”), to approve, on an advisory basis, the executive compensation of the Company’s named executive officers as described in in this Proxy Statement, requires the affirmative vote of a majority of the total votes cast on this proposal by holders of our common stock, in person or by proxy. As a result, withheld votes and broker non-votes (see below), if any, will not affect the outcome of the vote on Proposal 5.
- The sixth proposal (“Proposal 6”), the advisory vote on the frequency of the advisory votes on executive compensation, has three possible substantive responses (every 1 year, every 2 years or every 3 years), and the response that receives the highest number of votes cast will be the frequency of the vote on the compensation of our named executive officers that has been approved by the stockholders on an advisory basis. As a result, abstentions and broker non-votes, if any, will not affect the outcome of this proposal.
- With respect to any other matter that may properly come before the Annual Meeting, the affirmative vote of a majority of the total votes cast by holders of our common stock, in person or by proxy, is required to approve such proposals, except as required by law. As a result, abstentions, if any, will not affect the outcome of the vote on these proposals. No broker non-votes will occur on any “routine” proposals, and broker non-votes will not affect the outcome of any “non-routine” proposals.

You will not have any dissenters’ rights of appraisal in connection with any of the matters to be voted on at the meeting.

What are “broker non-votes”?

Banks and brokers acting as nominees are permitted to use discretionary voting authority to vote proxies for proposals that are deemed “routine” by the New York Stock Exchange, which means that they can submit a proxy or cast a ballot on behalf of stockholders who do not provide a specific voting instruction. Brokers and banks are not permitted to use discretionary voting authority to vote proxies for proposals that are deemed “non-routine” by the New York Stock Exchange. The determination of which proposals are deemed “routine” versus “non-routine” may not be made by the New York Stock Exchange until after the date on which this Proxy Statement has been mailed to you. As such, it is important that you provide voting instructions to your bank, broker or other nominee, if you wish to ensure that your shares are present and voted at the Annual Meeting on all matters and if you wish to direct the voting of your shares on “routine” matters.

When there is at least one “routine” matter to be considered at a meeting, a “broker non-vote” occurs when a proposal is deemed “non-routine” and a nominee holding shares for a beneficial owner does not have discretionary voting authority with respect to the “non-routine” matter being considered and has not received instructions from the beneficial owner.

The election of directors (Proposal 1), the advisory vote on executive compensation (Proposal 5) and the advisory vote on the frequency of the advisory votes on executive compensation (Proposal 6) are generally not considered to be “routine” matters and banks or brokers are not permitted to vote on these matters if the bank or broker has not received instructions from the beneficial owner. Accordingly, it is particularly important that beneficial owners instruct their brokers how they wish to vote their shares for Proposals 1, 5 and 6. Under the applicable rules governing such brokers, we believe Proposal 2 to ratify the appointment of Marcum LLP as our independent registered public accounting firm, Proposal 3 to approve an amendment to our Articles of Incorporation to increase the number of shares of common stock authorized for issuance thereunder from 105,555,556 to 150,000,000 and Proposal 4 to approve the adjournment of the Annual

Meeting to the extent there are insufficient proxies at the Annual Meeting to approve Proposal 3, are likely to be considered “routine” items. Therefore, a bank or broker may be able to vote on these proposals even if it does not receive instructions from you, so long as it holds your shares in its name. If, however, Proposals 2, 3 and 4 are deemed by the New York Stock Exchange to be a “non-routine” matters, brokers will not be permitted to vote on such proposals if the broker has not received instructions from the beneficial owner. If the New York Stock Exchange determines Proposal 3 to be “non-routine,” failure to vote on Proposal 3, which requires the affirmative vote of at least a majority in voting power of our issued and outstanding shares of common stock, or to instruct your broker how to vote any shares held for you in your broker’s names, will have the same effect as a vote against such proposal. Accordingly, it is particularly important that beneficial owners instruct their brokers how they wish to vote their shares for Proposal 3.

How are we soliciting this proxy?

We are soliciting this proxy on behalf of our Board and will pay all expenses associated therewith. Some of our officers, directors and other employees also may, but without compensation other than their regular compensation, solicit proxies by further mailing or personal conversations, or by telephone, facsimile or other electronic means.

We will also, upon request, reimburse brokers and other persons holding stock in their names, or in the names of nominees, for their reasonable out-of-pocket expenses for forwarding proxy materials to the beneficial owners of the capital stock and to obtain proxies.

PROPOSAL 1
ELECTION OF DIRECTORS

Our Board is currently composed of five directors, all of whom are being nominated for reelection at this Annual Meeting. Vacancies on the Board may be filled only by persons elected by a majority of the remaining directors or by the sole remaining director. A director elected by the Board to fill a vacancy, including vacancies created by an increase in the number of directors, shall serve for the remainder of the full term of that director for which the vacancy was created and until the director's successor is duly elected and qualified.

Each of the five nominees listed below are incumbent directors. If elected at the Annual Meeting, each of these nominees would serve until the next annual meeting and until his or her successor has been duly elected and qualified, or, if sooner, until the director's death, resignation or removal. Because the number of nominees properly nominated for the Annual Meeting is the same as the number of directors to be elected, the election of directors at this Annual Meeting is uncontested.

Directors are elected by a plurality of the votes cast on the election of directors. In accordance with our Amended and Restated Bylaws (the "Bylaws") and Nevada law, a stockholder entitled to vote for the election of directors may withhold authority to vote for certain nominees for directors or may withhold authority to vote for all nominees for directors. Withheld votes and broker non-votes will not be treated as a vote for or against any particular director nominee and will not affect the outcome of the election. Stockholders may not vote, or submit a proxy, for a greater number of nominees than the five nominees named below. The director nominees receiving the highest number of affirmative votes will be elected. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the five director nominees named below. If any director nominee becomes unavailable for election as a result of an unexpected occurrence, shares that would have been voted for that nominee will instead be voted for the election of a substitute nominee proposed by our Board. Each person nominated for election has agreed to serve if elected. Our management has no reason to believe that any nominee will be unable to serve.

**THE BOARD OF DIRECTORS RECOMMENDS THE STOCKHOLDERS VOTE “FOR” ALL OF THE
NOMINEES FOR ELECTION AS DIRECTORS.**

CORPORATE GOVERNANCE**Board of Directors Composition**

Our Board currently consists of five members. Our directors hold office until their successors have been elected and qualified or until the earlier of their resignation or removal.

We have no formal policy regarding board diversity. Our priority in selection of board members is identification of members who will further the interests of our stockholders through their established record of professional accomplishment, the ability to contribute positively to the collaborative culture among board members, knowledge of our business and understanding of the competitive landscape.

Board of Director Meetings

Our Board met two times in fiscal 2022. Each director attended at least 75% of the aggregate of (i) the total number of meetings of our Board (held during the period for which such director served on the Board) and (ii) the total number of meetings of all committees of our Board on which such director served (during the periods for which the director served on such committee or committees). We do not have a formal policy requiring members of the Board to attend our annual meetings. This is our first annual meeting of stockholders.

Director Independence

Our common stock was listed on the NYSE American LLC (the “NYSE American”), effective September 22, 2022. Under the rules of the NYSE American, a director will only qualify as an “independent director” if, in the opinion of that company’s board of directors, that person does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In order to be considered independent for purposes of Rule 10A-3 of the Securities Exchange Act of 1934 (the “Exchange Act”), a member of an audit committee of a listed company may not, other than in his or her capacity as a member of the audit committee, the board of directors, or any other board committee, accept, directly or indirectly, any consulting, advisory, or other compensatory fee from the listed company or any of its subsidiaries or otherwise be an affiliated person of the listed company or any of its subsidiaries.

Our Board has determined that Mr. Cassidy, Ms. Penz, Ms. Zilka and Mr. Saint-Fleur are “independent directors” as such term is defined under the applicable rules of the NYSE American.

We have established an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. Our Board has determined that Ms. Penz is an “audit committee financial expert,” as defined under the applicable rules of the SEC, and that all members of the Audit Committee of the Board (the “Audit Committee”) are “independent” within the meaning of the applicable NYSE American rule and the independence standards of Rule 10A-3 of the Exchange Act. Each of the members of the Audit Committee meets the requirements for financial literacy under the applicable rules and regulations of the SEC and the NYSE American.

Board Committees

Our Board has established an Audit Committee, a Compensation Committee, and a Nominating and Corporate Governance Committee. Our Board may establish other committees to facilitate the management of our business. The composition and functions of each committee are described below. Members serve on these committees until their resignation or until otherwise determined by our Board.

Audit Committee

Our Audit Committee consists of Denise Penz, Sonya Zilka, and Bruce Cassidy, with Denise Penz serving as the Chair of the Audit Committee. Our Board has determined that the directors that serve on our Audit Committee are independent within the meaning of the NYSE American listing rules and Rule 10A-3 under the Exchange Act. In addition, our Board has determined that Denise Penz qualifies as an “audit committee financial expert” within the meaning of SEC regulations and the NYSE American rules.

The Audit Committee oversees and monitors our financial reporting process and internal control system, reviews and evaluates the audit performed by our registered independent public accountants and reports to the Board any substantive issues found during the audit. The Audit Committee is directly responsible for the appointment, compensation and oversight of the work of our registered independent public accountants. The Audit Committee reviews and approves all transactions with affiliated parties.

Our Audit Committee operates pursuant to a charter that is available on our website at <https://ir.loop.tv/corporate-governance>. Our Audit Committee met three times in fiscal 2022.

Compensation Committee

Our Compensation Committee of the Board (the “Compensation Committee”) consists of Denise Penz and Sonya Zilka, with Sonya Zilka serving as the Chairman of the Compensation Committee. Our Board has determined that the directors that serve on our Compensation Committee are independent under the listing standards, are “non-employee directors” as defined in rule 16b-3 promulgated under the Exchange Act .

The Compensation Committee provides advice and makes recommendations to the Board in the areas of employee salaries, benefit programs and director compensation. The Compensation Committee also reviews and approves corporate goals and objectives relevant to the compensation of our Chief Executive Officer and other officers and makes recommendations in that regard to the Board as a whole.

Our Compensation Committee operates pursuant to a charter that is available on our website at <https://ir.loop.tv/corporate-governance>. Our Compensation Committee did not meet in fiscal 2022.

Nominating and Corporate Governance Committee

Our Nominating and Corporate Governance Committee consists of Denise Penz, Bruce Cassidy and David Saint-Fleur, with Bruce Cassidy serving as the Chairman of the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee nominates individuals to be elected to the Board by our stockholders. The Nominating and Corporate Governance Committee considers recommendations from stockholders if submitted in a timely manner in accordance with the procedures set forth in our Bylaws and will apply the same criteria to all persons being considered. All members of the Nominating and Corporate Governance Committee are independent directors as defined under the NYSE American rules.

Our Nominating and Corporate Governance Committee operates pursuant to a charter that is available on our website at <https://ir.loop.tv/corporate-governance>. Our Nominating and Corporate Governance Committee did not meet in fiscal 2022.

Stockholder Nominations for Directorships

Stockholders may recommend individuals to the Nominating and Corporate Governance Committee for consideration as potential director candidates by submitting their names and background to the Secretary of the Company at the address set forth below under “*Stockholder Communications*” in accordance with the provisions set forth in our Bylaws. All such recommendations will be forwarded to our Nominating and Corporate Governance Committee, which will review and only consider such recommendations if appropriate biographical and other information is provided, including, but not limited to, the items listed below, on a timely basis. All security holder recommendations for director candidates must be received by the Company in the timeframe(s) set forth under the heading “*Stockholder Proposals*” below, and include the following information:

- the name and address of record of the security holder;
- a representation that the security holder is a record holder of the Company’s securities, or if the security holder is not a record holder, evidence of ownership in accordance with Rule 14a-8(b)(2) of the Exchange Act;
- the name, age, business and residential address, educational background, current principal occupation or employment, and principal occupation or employment for the preceding five (5) full fiscal years of the proposed director candidate;

- a description of the qualifications and background of the proposed director candidate and a representation that the proposed director candidate meets applicable independence requirements;
- a description of any arrangements or understandings between the security holder and the proposed director candidate; and
- the consent of the proposed director candidate to be named in the proxy statement relating to the Company's annual meeting of stockholders and to serve as a director if elected at such annual meeting.

Assuming that appropriate information is provided for candidates recommended by stockholders, the Nominating and Corporate Governance Committee will evaluate those candidates by following substantially the same process, and applying substantially the same criteria, as for candidates submitted by members of the Board or other persons, as described above and as set forth in its written charter.

Board Leadership Structure and Role in Risk Oversight

The Chief Executive Officer, Mr. Niermann, is also a Board member and until November 2022, was the Chairman of the Board, at which time Mr. Bruce Cassidy was appointed Chairman of the Board. Periodically, our Board assesses these roles and the Board leadership structure to ensure the interests of our Company and our stockholders are best served. The Board recognizes that one of its key responsibilities is to evaluate and determine its optimal leadership structure, so as to provide independent oversight of management. The Board understands that there is no single, generally accepted approach to providing Board leadership and that given the dynamic and competitive environment in which we operate, the right Board leadership structure may vary as circumstances warrant. Consistent with this understanding, the Nominating and Corporate Governance Committee periodically considers the Board's leadership structure. This consideration includes the pros and cons of alternative leadership structures in light of our operating and governance environment at the time, with the goal of achieving the optimal model for effective oversight of management by the Board.

Although our Chief Executive Officer has historically also served as Chairman of the Board, we do not have a specific policy regarding the separation of the offices of Chairman of the Board and the Chief Executive Officer. The Board believes that this separation is presently appropriate as it allows the Chief Executive Officer to focus primarily on leading our day-to-day operations while the Chairman of the Board can focus on leading the Board in the performance of its duties. We acknowledge, however, that there may be circumstances in the future when it is in our best interests to combine the positions of Chairman of the Board and the Chief Executive Officer.

While management is responsible for assessing and managing risks to our Company, our Board is responsible for overseeing management's efforts to assess and manage risk. This oversight is conducted primarily by our full Board, primarily through the following:

- the Board's review and approval of our plans for our business (presented to the Board by the Chief Executive Officer and other management), including the projected opportunities and challenges facing our business;
- the Board's periodic review of our business developments and financial results;
- our Audit Committee's oversight of our internal controls over financial reporting and its discussions with management and the independent accountants regarding the quality and adequacy of our internal controls and financial reporting; and
- our Compensation Committee's review and recommendations to the Board regarding our executive compensation and its relationship to our business goals.

Our Board believes that full and open communication between management and the Board is essential for effective risk management and oversight.

Stockholder Communications

Our Board will give appropriate attention to written communications that are submitted by stockholders, and will respond if and as appropriate. Absent unusual circumstances or as contemplated by committee

charters, and subject to advice from legal counsel, the Secretary of the Company is primarily responsible for monitoring communications from stockholders and for providing copies or summaries of such communications to the Board as the Secretary considers appropriate.

Communications from stockholders will be forwarded to all directors if they relate to important substantive matters or if they include suggestions or comments that the Secretary considers to be important for the Board to know. Communication relating to corporate governance and corporate strategy are more likely to be forwarded to the Board than communications regarding personal grievances, ordinary business matters, and matters as to which the Company tends to receive repetitive or duplicative communications.

Stockholders who wish to send communications to the Board should address such communications to: The Board of Directors, Loop Media, Inc., 2600 West Olive Avenue, PMB 54470, Burbank, CA 91505, Attention: Secretary.

Code of Business Conduct and Ethics

We have adopted a Code of Business Conduct and Ethics that applies to our directors, officers and employees. The purpose of the Code of Business Conduct and Ethics is to deter wrongdoing and to provide guidance to our directors, officers and employees to help them recognize and deal with ethical issues, to provide mechanisms to report unethical or illegal conduct and to contribute positively to our culture of honesty and accountability. Our Code of Business Conduct and Ethics is publicly available on our website at <https://www.loop.tv>. If we make any substantive amendments to the Code of Business Conduct and Ethics or grants any waiver, including any implicit waiver from a provision of the Code of Business Conduct and Ethics to our directors or executive officers, we will disclose the nature of such amendments or waiver on our website or in a current report on Form 8-K.

Anti-Hedging Policy

Under the terms of our insider trading policy, we prohibit each officer, director and employee, and each of their family members and controlled entities, from engaging in certain forms of hedging or monetization transactions. Such transactions include those, such as zero-cost collars and forward sale contracts, that would allow them to lock in much of the value of their stock holdings, often in exchange for all or part of the potential for upside appreciation in the stock, and to continue to own the covered securities but without the full risks and rewards of ownership.

Delinquent Section 16(a) Reports

Section 16(a) of the Exchange Act requires our directors and executive, officers, and persons who are beneficial owners of more than 10% of a registered class of our equity securities, to file reports of ownership and changes in ownership with the SEC. These persons are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file.

Based solely upon our review of copies of Forms 3, 4 and 5 furnished to us, we believe that all of our directors, executive officers and any other applicable stockholders timely filed all reports required by Section 16(a) of the Exchange Act during the fiscal year ended September 30, 2022, except for the following: (i) we filed a Form 4 for the Bruce A. Cassidy 2013 Irrevocable Trust on April 13, 2022, covering a transaction that required a Form 4 filing due on March 18, 2022; and (ii) we filed a Form 4 for Bruce A. Cassidy on April 13, 2022, covering a transaction that required a Form 4 filing due on March 18, 2022. In addition, we believe that Dreamcatcher, LLC, and Running Wind, LLC, each of which were owners of ten percent or more of our common stock during the fiscal year ended September 30, 2022, did not file their required Forms 3, 4 and 5.

All compensation decisions are determined following a detailed review and assessment of the executive's leadership and operational performance and contributions to our success; any significant changes in role or responsibility; our financial resources, results of operations and financial projections; the nature, scope and level of the executive's responsibilities; and internal equity of pay relationships.

The Compensation Committee determines each element of compensation for our Chief Executive Officer. When making determinations about each element of compensation for our other executive officers, the Compensation Committee also considers recommendations from our Chief Executive Officer. Additionally, at the Compensation Committee's request, our executive officers may assess the design of, and make recommendations related to, our compensation and benefit programs, including recommendations related to the performance measures used in our incentive programs. The 2023 Notes

We have previously borrowed funds for business operations from two of our stockholders, Dreamcatcher, LLC and Running Wind, LLC, each of which is a beneficial holder of more than 5% of our common stock, through convertible debt agreements (the “Convertible Promissory Notes”). Each Convertible Promissory Note was originally issued on December 5, 2018, on identical terms in the principal amount of \$1,500,000, and each was amended and restated October 31, 2019, and October 23, 2020. The Convertible Promissory Notes carried interest at 10% per annum beginning on November 1, 2020, with monthly payments of unpaid interest accrued at 12.5% per annum to be paid in arrears through March 31, 2021, and were to mature on December 1, 2023. Beginning April 1, 2021, we began paying equal monthly installments of principal and interest on the Convertible Promissory Notes at 10% per annum. The Convertible Promissory Notes were convertible at any time prior to the maturity in whole or in part into shares of our common stock at a price of \$1.80 per share.

On May 9, 2022, we completed a refinancing of the Convertible Promissory Notes, then having the aggregate principal amount of \$2,068,399 by prepaying the principal and interest owed on such Convertible Promissory Notes in full under the terms of the notes and issuing new substantially identical unsecured

convertible debentures in the aggregate principal amount of \$2,079,993 (the “2023 Notes”) to LM Note Acquisition LLC. Jeremy Boczulak, a beneficial holder of more than 5% of our common stock, had a 75.72 percentage ownership interest in LM Note Acquisition LLC. Mr. Boczulak subsequently transferred his full interest in LM Note Acquisition LLC to his spouse (the “LM Note Interest Transferee”). The 2023 Notes, like the Convertible Promissory Notes, had a maturity date of December 1, 2023, required monthly installments of principal and interest at 10% per annum and were convertible at any time prior to the maturity in whole or in part into shares of our common stock at a price of \$1.80 per share. We had previously sought, but did not receive, certain concessions from the holders of the Convertible Promissory Notes related to ongoing monthly principal and interest payments and the conversion of the Convertible Promissory Notes into shares of our common stock in connection with any significant public equity capital raise by us. In connection with the issuance of the 2023 Notes, the holder thereof (the “2023 Noteholder”) agreed to a cessation of principal and interest payments on the 2023 Notes until December 1, 2022, at which time accrued interest would be paid in a lump sum in cash and monthly principal and interest payments would resume. The 2023 Noteholder further agreed to convert the 2023 Notes into shares of our common stock upon any significant public equity capital raise by us. Accordingly, the 2023 Notes were converted simultaneously with the closing of the September 2022 Offering into an aggregate of 1,199,875 shares of common stock, based on the outstanding principal and interest of \$2,159,774 as of September 26, 2022, and the conversion price of \$1.80 per share. Of this, an aggregate of 908,545 shares of common stock were issued to the LM Note Interest Transferee, based on a 75.72 percentage ownership interest in LM Note Acquisition LLC, and the outstanding principal and interest of \$1,635,381 as of September 26, 2022.

In connection with an amendment to the Convertible Promissory Notes, in November 2019, we also issued warrants to purchase 591,784 shares of our common stock to Dreamcatcher, LLC and warrants to purchase 591,785 shares of our common stock to Running Wind, LLC, for an aggregate of 1,183,569 shares of our common stock, exercisable at \$2.55 per share for a period of 10 years. These warrants were automatically converted at the closing of the September 2022 Offering through cashless exercise into an aggregate of 578,847 shares of our common stock.

The 2022 Notes

From December 1, 2020, to June 1, 2021, we sold in a private placement, (i) \$2,950,000 in aggregate principal amount of Senior Secured Promissory Notes due December 1, 2022 (the “2022 Notes”) and (ii) warrants to purchase 107,951 shares of our common stock at an exercise price of \$8.25 per share. The investors in this private placement included entities controlled by Bruce Cassidy, Chairman of our Board. In connection with the offering, the entities controlled by Mr. Cassidy purchased an aggregate of \$2,350,000 principal amount of the 2022 Notes and warrants to purchase an aggregate of 71,210 shares of our common stock at \$8.25 per share. The warrants have a term of 10 years. The 2022 Notes had a maturity date of December 1, 2022. The 2022 Notes accrued interest in two different ways: (A) at the rate of 4% per annum, payable in cash, from the date of issuance of each note as follows: (1) interest from the issue date to November 30, 2021, payable in advance on the date the note was executed; (2) six months of cash interest payable in arrears on June 1, 2022; and (3) six months of cash interest payable in arrears on the maturity date; and (B) at the rate of 6% per annum, payable in shares of our common stock in arrears on June 1, 2021, December 1, 2021, June 1, 2022, and the maturity date.

The 2022 Notes converted simultaneously with the closing of the September 2022 Offering into an aggregate of 788,391 shares, based on the outstanding principal and interest of \$3,153,579 as of September 26, 2022, at a conversion price of \$4.00 per share (which was 80% of \$5.00, the public offering price per share for the September 2022 Offering). Of this, an aggregate of 634,250 shares of common stock were issued to entities controlled by Bruce Cassidy, Chairman of our Board, based on the outstanding principal and interest of \$2,537,008 as of September 26, 2022, at a conversion price of \$4.00 per share.

The 2020 and 2021 Share Offering

Beginning on August 15, 2020, and through May 18, 2021, we offered and sold in a private placement to accredited investors \$6,705,000 of shares of common stock at a price of \$3.75 per share. The investors in this private placement included an entity controlled by Bruce Cassidy, Chairman of our Board, which invested \$1,200,000 for a total of 320,000 shares of common stock.

The 2021 Share and Warrant Offering

On September 30, 2021, we entered into securities purchase agreements with accredited investors pursuant to which we sold, in a private offering (i) an aggregate of 1,924,486 shares of our common stock and (ii) warrants to purchase up to an aggregate of 2,191,150 shares of common stock. Each investor was entitled to purchase one share of common stock and one warrant to purchase one share of common stock for an aggregate purchase price of \$3.75. The warrants were immediately exercisable, have a three-year term and an exercise price of \$8.25 per share. The investors in the offering included an entity controlled by Mr. Cassidy, who is a member of our Board. The entity controlled by Mr. Cassidy purchased 106,666 shares of common stock and warrants to purchase 106,666 shares of common stock in the offering, for gross proceeds of \$400,000. Other investors in this offering were entities controlled by Jeremy Boczulak, who, as a result of these investments, became a beneficial holder of more than 5% of our common stock. Pursuant to the terms of this offering, an investor who purchased more than 50% of the total offering amount in the offering was entitled to receive warrants to purchase an additional 266,666 shares of common stock. That investor was an entity controlled by Mr. Boczulak. In total, the entities controlled by Mr. Boczulak purchased 1,817,820 shares of common stock and warrants to purchase 2,084,484 shares of common stock in the offering, for gross proceeds of \$6,816,826.

500 Limited

For the years ended September 30, 2022, and 2021, we paid 500 Limited \$413,469 and \$318,035, respectively, for programming services provided to the Company. For the six months ended March 31, 2023, and 2022, we paid 500 Limited \$219,400 and \$206,400, respectively, for programming services provided to the Company. 500 Limited is an entity controlled by Liam McCallum, our Chief Product and Technology Officer.

Related Person Transaction Approval Policy

We have in place a policy that our executive officers, directors, nominees for election as a director, beneficial owners of more than 5% of any class of our common stock, any members of the immediate family of any of the foregoing persons and any firms, corporations or other entities in which any of the foregoing persons is employed or is a partner or principal or in a similar position or in which such person has a 5% or greater beneficial ownership interest, or related parties, are not permitted to enter into a transaction with us without the prior consent of our Board acting through the Audit Committee or, in certain circumstances, the Chair of the Audit Committee. Any request for us to enter into a transaction with a related party, in which the amount involved exceeds \$120,000 and such related party would have a direct or indirect interest must first be presented to our Audit Committee, or in certain circumstances the Chair of our Audit Committee, for review, consideration and approval. In approving or rejecting any such proposal, our Audit Committee is to consider the material facts of the transaction, including, but not limited to, whether the transaction is on terms no less favorable than terms generally available to an unaffiliated third party.

Director Independence

Our common stock is listed on the NYSE American. Under the rules of the NYSE American, a director will only qualify as an “independent director” if, in the opinion of that company’s board of directors, that person does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In order to be considered independent for purposes of Rule 10A-3 of the Exchange Act, a member of an audit committee of a listed company may not, other than in his or her capacity as a member of the audit committee, the board of directors, or any other board committee, accept, directly or indirectly, any consulting, advisory, or other compensatory fee from the listed company or any of its subsidiaries or otherwise be an affiliated person of the listed company or any of its subsidiaries.

Our Board has determined that Mr. Cassidy, Ms. Penz, Ms. Zilka and Mr. Saint-Fleur are “independent directors” as such term is defined under the applicable rules of the NYSE American.

We have established an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. Our Board has determined that Ms. Penz is an “audit committee financial expert,” as defined under the applicable rules of the SEC, and that all members of the Audit Committee are “independent” within the meaning of the applicable NYSE American rule and the independence standards of Rule 10A-3 of the Exchange Act. Each of the members of the Audit Committee meets the requirements for financial literacy under the applicable rules and regulations of the SEC and the NYSE American.

Pre-Approval Practices and Procedures

The Audit Committee or its Chair pre-approves audit and non-audit services to be rendered to the Company and establishes a dollar limit on the amount of fees the Company will pay for each category of services. Generally, management will submit to the Audit Committee a list of services that it recommends the Audit Committee engage the independent registered public accounting firm to provide for the fiscal year. The Audit Committee is informed from time to time of the non-audit services provided pursuant to the pre-approval process. During the year, the Audit Committee periodically reviews the types of services and dollar amounts approved and adjusts such amounts, as it deems appropriate. Unless a service to be provided by the independent registered public accounting firm has received general pre-approval, it will require specific pre-approval by the Audit Committee or its Chair. Any service pre-approved by the Chair will be presented to the Audit Committee at its next regularly scheduled meeting. The Audit Committee also periodically reviews all non-audit services to ensure such services do not impair the independence of the Company’s independent registered public accounting firm.

Attendance at Annual Meeting

Representatives of Marcum LLP will be present at the Annual Meeting and will have an opportunity to make a statement if they so desire, and will be available to respond to appropriate questions from stockholders.

THE BOARD OF DIRECTORS RECOMMENDS THE STOCKHOLDERS VOTE “FOR” THE RATIFICATION OF THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.

PROPOSAL 3**APPROVAL OF AN AMENDMENT TO THE COMPANY'S ARTICLES OF INCORPORATION TO INCREASE THE NUMBER OF SHARES OF COMMON STOCK AUTHORIZED THEREUNDER FROM 105,555,556 TO 150,000,000**

Our Board believes that it is in the best interests of the Company and our stockholders to amend our Articles of Incorporation to increase the number of authorized shares of common stock. Upon consultation with our management, our Board unanimously approved, and unanimously recommends for stockholder approval, the proposal to adopt a Certificate of Amendment to our Articles of Incorporation (the "Certificate of Amendment"), to increase the number of authorized shares of common stock from 105,555,556 shares to 150,000,000 shares, each share of common stock having a par value of \$0.0001. The form of the amendment is set forth as Appendix A to this Proxy Statement (subject to any changes required by applicable law). As of the Record Date, there were (i) _____ shares of common stock outstanding, (ii) _____ shares of common stock reserved for future issuance upon exercise of warrants currently outstanding, (iii) _____ shares of common stock reserved for future issuance under equity plans, and (iv) _____ shares of common stock reserved for future grants under the 2020 Plan. The additional shares of common stock to be authorized by adoption of the Certificate of Amendment would have rights identical to the currently outstanding shares of common stock. Adoption of the Certificate of Amendment would not affect the rights of the holders of currently outstanding common stock, except, to the extent the additional authorized shares are issued, for effects incidental to increasing the number of shares of common stock outstanding, such as dilution of earnings per share and voting rights of current holders of common stock. If the amendment is adopted, it will become effective upon the filing of the Certificate of Amendment to the Articles of Incorporation with the Secretary of State of the State of Nevada.

The description of the Certificate of Amendment should be read in conjunction with and is qualified in its entirety by reference to the text of the proposed Certificate of Amendment attached to this Proxy Statement as Appendix A.

Purpose of the Proposal

The approval of the Certificate of Amendment is important for our ongoing business. Our Board believes it would be prudent and advisable to have the additional shares available to provide additional flexibility regarding the potential use of shares of common stock for business and financial purposes in the future. Having an increased number of authorized but unissued shares of common stock would allow us to take prompt action with respect to corporate opportunities that develop, without the delay and expense of convening a special meeting of stockholders for the purpose of approving an increase in our authorized shares. The additional shares could be used for various purposes without further stockholder approval. These purposes may include: (i) raising capital, if we have an appropriate opportunity, through offerings of common stock or securities that are convertible into common stock; (ii) expanding our business through potential strategic transactions; (iii) establishing strategic relationships with other companies; (iv) exchanges of common stock or securities that are convertible into common stock for other outstanding securities; (v) providing equity incentives pursuant to the 2020 Plan, or another plan we may adopt in the future, to attract and retain employees, officers or directors; and (vi) other general corporate purposes. We intend to use the additional shares of common stock that will be available to undertake any such issuances described above. As is the case with the shares of common stock which are currently authorized but unissued, if the Certificate of Amendment is adopted by the stockholders, the Board will only have authority to issue the additional shares of common stock from time to time without further action on the part of stockholders to the extent not prohibited by applicable law or by the rules of any stock exchange or market on which our securities may then be listed or authorized for quotation. Because it is anticipated that our directors and executive officers will be granted additional equity awards under the 2020 Plan, or another plan we adopt in the future, they may be deemed to have an indirect interest in the Certificate of Amendment, because absent the Certificate of Amendment, we may not have sufficient authorized shares to grant such awards.

The increase in authorized shares of our common stock will not have any immediate effect on the rights of existing stockholders. However, because our stockholders do not have any preemptive rights, future issuance of shares of common stock or securities exercisable for or convertible into shares of common stock could have a dilutive effect on our earnings per share, book value per share, and the voting rights of stockholders and could have a negative effect on the price of our common stock.

Disadvantages to an increase in the number of authorized shares of common stock may include:

- Stockholders may experience further dilution of their ownership.
- Stockholders will not have any preemptive or similar rights to subscribe for or purchase any additional shares of common stock that may be issued in the future, and therefore, future issuances of common stock, depending on the circumstances, will have a dilutive effect on the earnings per share, voting power and other interests of our existing stockholders.
- The additional shares of common stock for which authorization is sought in this proposal would be part of the existing class of common stock and, if and when issued, would have the same rights and privileges as the shares of common stock presently outstanding.
- The issuance of authorized but unissued shares of common stock could be used to deter a potential takeover of us that may otherwise be beneficial to stockholders by diluting the shares held by a potential suitor or issuing shares to a stockholder that will vote in accordance with the Board's desires. A takeover may be beneficial to independent stockholders because, among other reasons, a potential suitor may offer such stockholders a premium for their shares of stock compared to the then-existing market price. We do not have any plans or proposals to adopt provisions or enter into agreements that may have material anti-takeover consequences.

We have no specific plan, commitment, arrangement, understanding or agreement, either oral or written, regarding the issuance of common stock subsequent to this proposed increase in the number of authorized shares at this time, and we have not allocated any specific portion of the proposed increase in the authorized number of shares to any particular purpose. However, we have in the past conducted certain public and private offerings of common stock and warrants, and we will continue to require additional capital in the near future to fund our operations. As a result, it is foreseeable that we will seek to issue such additional shares of common stock in connection with any such capital raising activities, or any of the other activities described above. The Board does not intend to issue any common stock or securities convertible into common stock except on terms that the Board deems to be in the best interests of us and our stockholders. We are therefore requesting our stockholders approve this proposal to amend our Articles of Incorporation to increase our authorized shares of common stock from 105,555,556 shares to 150,000,000 shares.

Approval Required

The approval of this Proposal 3 will require the affirmative vote of holders of a majority of the voting power of the issued and outstanding shares of common stock that are entitled to vote. Accordingly, abstentions and, in the event that Proposal 3 is deemed "non-routine," broker non-votes, if any, will have the effect of a vote "AGAINST" this Proposal.

THE BOARD OF DIRECTORS RECOMMENDS THE STOCKHOLDERS VOTE "FOR" THE APPROVAL OF AN AMENDMENT TO THE COMPANY'S ARTICLES OF INCORPORATION TO INCREASE THE NUMBER OF SHARES OF COMMON STOCK AUTHORIZED THEREUNDER FROM 105,555,556 TO 150,000,000.

PROPOSAL 4

APPROVAL OF THE ADJOURNMENT OF THE ANNUAL MEETING IN THE EVENT THAT THE NUMBER OF SHARES OF COMMON STOCK PRESENT OR REPRESENTED BY PROXY AT THE ANNUAL MEETING AND VOTING “FOR” THE ADOPTION OF PROPOSAL 3 ARE INSUFFICIENT.

Adjournment of the Annual Meeting

In the event that the number of shares of common stock present or represented by proxy at the Annual Meeting and voting “FOR” the adoption of Proposal 3 are insufficient to approve such proposal, we may move to adjourn the Annual Meeting in order to enable us to solicit additional proxies in favor of the adoption of Proposal 3. In that event, we will ask stockholders to vote only upon the adjournment proposal and not on any other proposal discussed in this Proxy Statement. If the adjournment is for more than thirty (30) days, a notice of the adjourned meeting shall be given to each stockholder of record entitled to vote at the meeting.

For the avoidance of doubt, any proxy authorizing the adjournment of the Annual Meeting shall also authorize successive adjournments thereof, at any meeting so adjourned, to the extent necessary for us to solicit additional proxies in favor of the adoption of any such proposal.

Approval Required

The approval of this Proposal 4 will require the affirmative vote of a majority of the total votes cast, represented in person or by proxy, at the Annual Meeting. As a result, abstentions and broker non-votes, if any, will not affect the outcome of the vote of this proposal.

THE BOARD OF DIRECTORS RECOMMENDS THE STOCKHOLDERS VOTE “FOR” THE ADJOURNMENT OF THE ANNUAL MEETING IF THE VOTES FOR PROPOSAL 3 ARE INSUFFICIENT.

PROPOSAL 5

ADVISORY VOTE TO APPROVE EXECUTIVE COMPENSATION

The Board believes that the Company's compensation program for executive officers is designed to attract and retain high quality people and to motivate them to achieve both our long-term and short-term goals.

Under the Dodd-Frank Wall Street Reform and Consumer Protection Act, or the Dodd-Frank Act, and Section 14A of the Exchange Act, this proposal, commonly referred to as the "Say on Pay" resolution, seeks a stockholder advisory vote on the compensation of our named executive officers as disclosed pursuant to Item 402 of Regulation S-K.

The Say on Pay vote is advisory, and therefore not binding on the Company, the Compensation Committee or our Board. Nevertheless, our Board and our Compensation Committee value the opinions of our stockholders, whether expressed through this vote or otherwise, and accordingly, the Board and Compensation Committee intend to consider the results of this vote among the many factors they consider in making determinations in the future regarding executive compensation arrangements. The Company will disclose the results of the stockholder advisory vote as a part of its report on voting results for the Annual Meeting.

The affirmative vote of the holders of a majority of votes cast in respect thereof by persons present in person or by proxy at the Annual Meeting and entitled to vote thereon will be required for the approval of the Say on Pay Proposal.

**THE BOARD OF DIRECTORS RECOMMENDS THE STOCKHOLDERS VOTE "FOR" THE
ADVISORY VOTE TO APPROVE EXECUTIVE COMPENSATION.**

PROPOSAL 6**ADVISORY VOTE ON THE FREQUENCY OF THE ADVISORY VOTE ON EXECUTIVE
COMPENSATION**

The Dodd-Frank Act and Section 14A of the Exchange Act also enables our stockholders to indicate their preference regarding how frequently we should seek non-binding advisory votes on the compensation of our named executive officers, as disclosed in our proxy statements pursuant to the SEC's compensation disclosure rules. By voting on this Proposal 6, stockholders may indicate whether they would prefer an advisory vote on the compensation of our named executive officers once every one, two, or three years. Alternatively, stockholders may abstain from casting a vote. After careful consideration of this proposal, our Board has determined that an advisory vote on executive compensation that occurs every year is the most appropriate alternative for the Company, and therefore our Board recommends that you vote for a one-year interval for the stockholder advisory vote on executive compensation.

In formulating its recommendation, our Board considered that an annual advisory vote on executive compensation will allow our stockholders to provide us with their direct input on our compensation practices as disclosed in our proxy statements every year. The Board's determination was influenced by the fact that the compensation of our named executive officers is evaluated, adjusted and approved on an annual basis. As part of the annual review process, the Board believes that stockholder sentiment should be a factor that is taken into consideration by the Board and the Compensation Committee in making decisions with respect to executive compensation.

While the Board believes that its recommendation is appropriate at this time, stockholders are not voting to approve or disapprove that recommendation, but are instead asked to indicate their preference, on an advisory basis, as to whether the non-binding stockholder advisory votes on the approval of our named executive officer compensation practices should be held every year, every two years or every three years. The option among those choices receiving the highest number of votes cast in person or by proxy at the Annual Meeting will be deemed to be the frequency preferred by our stockholders. The Board and the Compensation Committee value the opinions of our stockholders in this matter and, to the extent there is any significant vote in favor of one frequency over the other options, even if less than a majority of the votes cast support such frequency, the Board will consider our stockholders' concerns and evaluate any appropriate next steps. However, because this vote is advisory and not binding on the Board or the Company in any way, the Board may decide that it is in the best interests of our stockholders and the Company to hold stockholder advisory votes on executive compensation more or less frequently than the option approved by our stockholders.

**THE BOARD OF DIRECTORS RECOMMENDS THE STOCKHOLDERS VOTE FOR "ONE YEAR" AS
THE FREQUENCY FOR HOLDING THE ADVISORY VOTE TO APPROVE EXECUTIVE
COMPENSATION.**
